Health Clinics

Hearts, Eyes & DNA

There is now a Facebook group called "Dog Eye & Heart Testing" <https://www.facebook.com/groups/513447329563217>, which will be conducting 6 monthly heart & eye testing at a discounted rate. (This group is not affiliated with nor managed by this Club). Eye testing is conducted by Jeff Smith @ \$65 for the 1st dog & \$55 for each additional dog (owned by the same person) & Heart testing is conducted by Rita Singh @ \$60 per dog. (Charges are at the discretion of the people holding the clinics)

As there is no international flights at present for Dr Niek Beijerink to attend, all breeders who are interested in having their dogs tested should join the group and keep an eye out for the next upcoming clinic. They also had an Orivet DNA Collection Agent at the last clinic, it is unknown at this stage if this will be a regular occurrence (there was no charge for DNA collection at the last clinic).

2020/2021 Club Committee

Please take the opportunity to welcome in the Club Committee and Officers for 2020-2021. Nominations received were processed at the Club's Annual General Meeting, that was held on October 20 at the Dogs NSW grounds.

MRI

An MRI date has been set for 12/12/20. This clinic is only run when we have more than 6 participants. Those interested in having their dogs MRI scanned for SM need to get in touch with either Karen Camilleri or Janine Gilroy to register their interest.

Merry Christmas

2020 has proved to be a difficult year for many of us. Our normal lives and routines have been disrupted and we have missed socialising at dog shows and especially at our club specialties. But we also have much to be thankful for and can look forward to the coming year with hope and expectation that our lives will improve. Through all of the worry and uncertainty, we have had our dogs to comfort and support us... May I, on behalf of the CKCSC of NSW, wish you all a wonderful and joyous Christmas season.

December Meeting & Christmas Function

The December Club Meeting will be held on Tuesday 15th December at 7:30pm, in the Dogs NSW Amenities room and quickly followed by our Christmas get together. Bring a Plate to share and BYO drinks.

Club Yearbook

2020 has been a trying year for everyone around the world. As a Club, we have been fortunate that our direct members and their families have been keeping safe and well. It is only with vigilance we will get through this.

For Breed Dog Club's, there have been little opportunity to get together on a friendly basis, let alone conduct Championship Shows. The Club took the decision early on in the year to cancel all show's and put the club on hold for the majority of the year.

This year, though, we still intend to produce our Yearbook, sans the Championship Show data and fill it with some very special content. A book to memorialise our 4 legged companions! To do this we will accept as normal, advertising, and this year, a Memorial Page for your loved ones that you have lost, so you and the club as a whole can reflect what we all have achieved over time. Remember that this book is a pictorial history for the Club and we have agreed with Dogs NSW to retain copies of all our yearbooks in their library for all Clubs to enjoy. Far beyond your own memorial, they will live on in history.

WHAT IS ADVERTISING and WHAT IS A MEMORIAL PAGE

Advertising and Memorial pages, will be accepted under 2 different pricing structures. It is therefore required that you adhere to the following guidelines.

Advertisements can list your Kennel and personal contact details

Advertisements can highlight the quality/breeding/achievements of the dog represented on the page

Memorial pages should be a personal tribute to the dog that has passed away, including the achievements that they had achieved.

Memorial pages should contain no Kennel or personal contact details, nor discuss the quality or breeding of the dog represented on the page

Memorial pages are limited to those who are in some way associated with members of the NSW or other Australian clubs as associated with the ANKC. We may also include Cavaliers that have been rescued through this Club's Rescue Service.

IF YOU NEED TO ENGAGE SERVICES TO CREATE YOUR PAGES

The following is a list of people whom may be contacted to provide services to create copy for your advertising or memorial pages in the Club's Yearbook. The copy format details are provided further below, please forward this onto your Artist.

Any costs to produce your pages is solely between you and your artist.

IF YOU NEED TO ENGAGE THE SERVICES OF THE CLUB TO CREATE THE MEMORIAL PAGES

The Club will provide services to create some standard memorial pages for you, if required. These will be of a basic format (x5), of which you will need to provide a 300DPI jpg or pdf format, up to A5-148x210mm, picture of your dog, preferably in portrait, plus some text to accompany the page. A short paragraph should suffice, similar to the pages shown below. Styles as shown can be requested for this - Sunset, Rainbow, Blossom, Forest, Clouds. The positioning, and display of the text and photo will be at the Club's discretion. The Club understands that you may have old photographs not up to the quality asked for, but please provide whatever you can. We will be flexible. You need to indicate which style below you

IF YOU ARE DOING YOUR OWN ADVERTISING PAGES and/or MEMORIAL PAGES

The following provides details of the copy format that you must produce and provide to the Club to be added to the Club Yearbook. Diagram provided as sample reference.

Resolution: 300 DPI Minimum - 400 DPI Maximum.

Copy Size: To be provided to the Club A5, 148 x 210 mm + 5 mm bleed all sides (see example)

Format: Only jpg or pdf format is accepted.

Content: Keep your content clear and concise and avoid cluttering of text and photos.

Ensure your text is legible and only 2 photos per page. We would also like for pages to be in

PORTRAIT, as this improves the overall presentation of the book.

The Club will be strict and reserves the right to reject any advertising copy that does not meet the standards above. Specifically what is deemed as Advertising or a Memorial page.
