

Cavalier King Charles Spaniel Club of NSW

15th/16th September 2012

Judge - Mrs Susan Wake (UK) (Llulant)

I would like to thank the club and its members sincerely for this invitation to judge at their speciality show. I was greatly honoured by the exhibitors who had entered and appreciate the distances some had travelled for my opinion of their dogs.

I had a lovely entry of quality dogs so I was very pleased with my line up, many having most of the qualities that I was looking for. On the whole I feel that the bitches are stronger than the dogs at the present time which holds good for future breeding.
