The prizes and trophies on offer were just great you certainly do know how to put on a show, Thank you to my very efficient steward who kept things running smoothly both days , we were blessed with glorious spring weather ,and sunshine , and a great venue with big rings , plenty of room for the dogs to move ,having not judged in Australia for 10 years it was great again to see the dogs up close ,and to me size has improved over the years and type ,I was blessed with such a huge class of baby puppies ,and the future looks great for cavaliers in Australia, many thanks to the sporting Exhibitors for accepting my decisions.
