Yearbook 2023 - Your Kennel...Your Story

Although no club shows were run in 2022, the Club is committed to producing a Yearbook in 2023. A book with an annual publication since 1978.

Similar to 2021, where we had a Memorial section in lieu of competition information, for 2023 we will allow for for a worded or pictorial story of your Cavalier Kennels.

What we would be after is some information of your Kennel founding, the lines of dogs you have bred, e.g titles, litters, complete list of dogs or any personal anecdotes that you may have from your experiences over the years. Consider it to capture an historical record of your Kennel, preserved, as it will be, as part of this Club's History and also a permanent record in the library of Dogs NSW, where we donate a copy of the Yearbook.

Advertising and Kennel History pages will be based upon a separate pricing structure (see below). Advertising must only be used for promoting your Kennel or individual dogs, Kennel History pages are purely for the story of your Kennel. The club will be the final arbiter as to what is provided for Advertising or Kennel History pages.

Advertising and Kennel pages must conform to the overall copy requirements below. Additionally, if you just wish to provide text information, the Yearbook is formatted with Century Gothic, 9 - 10 point, which generally makes for a readable A5 page, so please provide in this format on a A5 sized document with 10 mm margins (top, bottom, left and right).

Anyone with Advertising pages or Kennel pages will receive a copy of the Yearbook as part of the price.

Year Book Guidelines

IF YOU NEED TO ENGAGE SERVICES TO CREATE YOUR ADVERTISEMENT or KENNEL PAGES, the following is a list of people may be contacted to provide services to create your copy in the Club's Yearbook. The copy format details are provided below, please forward this onto your Artist.

Sam Cole Surjan captureitpetphotography@gmail.com, Kacey Yates kacey.yates1@gmail.com

IF YOU ARE DOING YOUR OWN, the following provides details of the copy format that you must produce and provide to the Club to be added to the Club Yearbook for advertising. Diagram provided as sample reference.

Resolution: 300 DPI Minimum - 400 DPI Maximum.

Copy Size: To be provided to the Club A5, 148 x 210 mm + 5 mm bleed all sides (see example)

Bleed: You must allow the 5 mm in your image on all sides for bleed in your copy for colour printing to edge.

Margin: 10 mm. Put all content in the SAFE area. Avoid putting any important content in the margin This to allow for ring binding or other print / trimming adjustments.

Colour: Must be CMYK press ready. Note, colour variation may still occur with printing from your computer image.

Format: Only jpg or pdf format is accepted.

Content: Keep your content clear and concise and avoid cluttering of text and photos. Ensure your text is legible and only 2 photos per page. We would also like for advertisers to present pages in PORTRAIT, as this improves the overall presentation of the book.

The Club will be strict and reserves the right to reject any advertising copy that does not meet the standards above. Diagram provided as sample reference. REMEMBER provide to club A5 size+5mm bleed on all sides.
