## **CODE OF ETHICS**

Members of the Cavalier King Charles Spaniel Club of NSW Inc acknowledge that the welfare of the breed in general and of their own Cavaliers should be maintained at all times.

Members of the Club in the interest of the Cavalier endorse the following: -

That all breeders should try to improve their knowledge of the breed by studying the Standard and breed publications, and should be alert to and work to correct inherited problems;

That breeders should not use unregistered Cavaliers for breeding nor allow their stud dog (if any) to be used with an unregistered or cross bred bitch;

That breeders do not sell or donate any Cavalier to be auctioned or raffled, or sell a Cavalier to any dealer, agent or pet shop within Australia or Overseas, or to any person for export to any dealer/agent or pet shop of any Overseas Country;

That puppies should not be sold until completely weaned and independent of their dam, not before 8 weeks of age, and that they should be vet checked, vaccinated, microchipped, wormed and registered with the Royal NSW Canine Council before sale. Each puppy should be accompanied by complete feeding instructions and a guide to general care.

Failure to comply will force the Club to refer the matter to the Ethics Committee of the Royal NSW Canine Council.
