### Nell Gorman

Both Prue Massey and myself were very saddened to hear that Nell Gorman died a few weeks ago. Nell was a real 'dog' person and so a valued friend to me when I first started to show my cavalier sin 1972.

Nell well deserved her accolade of being made a life member of our club. I imagine that there are now members who only know of her because of this and have never had the pleasure of meeting her, but I can tell you that she was a fund of knowledge when it came to dogs and treasurers duties.

Of late my enjoyable phone calls to one another have been more sporadic owing to her illness, but they were always very worthwhile and enjoyable.

## **BRIAN TOWNSEND - 2014**

### **A Brief Biography in Dogs To-Date**

I first commenced in Cavaliers in 1969 and although I had been aware of the breed for a number of years we did not actually own a Cavalier. We purchased our first Cavalier, a Blenheim Dog by the name of Mr Pepy's of Jama and no doubt you will guess he was named after Mr Samuel Pepy's the well known Diarist during the time of King Charles. We purchased him for the princely sum of 16 guineas (£16.16 Shillings Sterling). No doubt you appreciate a vast escalation has taken place since 1969 (over 30 years).

I was first invited to Judge Cavaliers in 1974 and indeed I considered that a great privilege. Since that time I have judged many classes of Cavaliers and as a result it was indeed an honour to be asked to judge Darlington Championship Show in September 1983 where I judged both males and females. This was quite a task as I think the overall entry on that day was approximately 360 Cavaliers. Since that time in the United Kingdom I have judged on approximately fifteen occasions at Championship Show level, but as you are no doubt aware when one judges a Championship Show in the UK, with the odd exception, you judge either the females or the males. During that time I have judged all the Toy Breeds at Open Show level and I am qualified to judge all the Toy Breeds and the Toy Groups in the Republic of Ireland where I have been privileged to award green stars which are equal to Challenge Certificates in the United Kingdom.

In 1986 I was privileged to judge the Swords and District Canine Society which included Cavaliers, Min Pins, SC Chihuahuas LC Chihuahuas and then in 1988 for the Irish Toy Dog Society Dublin, where I awarded Green Stars in Australian Silky Terriers and Griffon Bruxellois, Italian Greyhounds and Pugs.

In 1989 Drogheda and District Canine Club, All Breed Championship Show in which there were 17 toy breeds represented. Following this in 1996 for the Irish Ladies Kennel Association in Cavan I judged Cavaliers ETTS Italian Greyhounds, Papillion's, Pekingese, Min Pins, Poms and Pugs.

In 2002 in Killarney I had the opportunity to judge the toy breeds which was quite an experience and as normal in Ireland they have always top quality exhibits to go over. I find in my judging experience many of the other toy breed exhibitors have a more professional approach to the preparation and exhibiting of their dogs and I feel many Cavalier exhibitors could learn an awful lot by watching these owners of other toy breeds in the preparation and qualities of their presentation and how they exhibit.

Also in 2002 I was privileged to be invited to judge for the Cavalier Club of Canberra, a most notable occasion with entries not as large as those experienced in America but exhibits of outstanding quality. Many of the exhibits were descendants of stock that had been exported from the UK and Ireland. Presentation was exceptional and exhibits which were very sound indeed.

In 2006 I judged the Cavalier Dogs Ladies Kennel Association at the N.E.C. Birmingham and was also privileged to judge the CKCS Clubs of the USA at their Annual Puppy of the Year Competition in York, Pennsylvania. At this show I judged the best Cavalier I have ever seen, to whom I gave the Dog CC, and with my co-judge Mr Ian Sidge-wick awarded him B.O.B. He is CH Wandris Entertainer.

In 2009 I had the honour of judging the dogs at Crufts and I feel sure all judges feel that is the pinnacle of their career. I had a terrific entry of dogs, my co-judge on the day was Mr Ernest Twedde. I had a top quality entry and I awarded my Dog CC to Champion Lanola Santana of Maibee who was owned and bred by Mrs Sheila Waters, sadly no longer with us.

I feel this particular dog Santana had many of the qualities of Entertainer, unfortunately they were not competing at the show. But I am sure I would have been splitting hairs at the time of judging, because he also was of excellent quality typical of the breeding of Mrs Sheila Waters.

In 2012 I judged Humberside Cavalier Club where I was awarding CC's to the bitches. I had an entry of 260 Cavalier bitches of excellent quality. I awarded my CC to Brymarden Carolina Moon which was her 2<sup>nd</sup> CC. At her next show she gained her 3<sup>rd</sup> CC and became a Champion and she was owned by Marylin and Bryan Claydon.

**Hans Boelaars, the Netherlands**

**What is your affix?**

*My kennel name is v.h. LAMSLAG.  
Lamslag doesn't mean anything in itself. It is the very old Dutch name of our late-18th Century house.*

**When did you get your first dog and what breed was it?**

*I got my first dog in 1965 or 1966, when I was 15-16 years old. She was a B/T Standard Dachshund -Long-hair.  
My second dog was a Cavalier King Charles Spaniel in 1968.*

**What breed(s) do you have today?**

*Still breed and show Cavaliers, also enjoy having a few Chihuahuas.*

**What breed(s) have you bred?**

*I have bred all Dachshund varieties, but gave up this in the late 1980s.  
I also bred Afghans and won my first BIS at a small show with my home-bred Afghan in the mid-'70s.  
We continue to breed Cavaliers on a small scale.*

**Which one of your dogs has meant most to you (breeding, showing, other)?**

*I will never forget my first Dachshund, Juno, but she was not a successful show dog.  
The first World Champion was our smooth-hair Dachshund, Huibje v.h. Lamslag.  
My Afghan, Khozar v.h. Lamslag, still lives in my heart and memory.  
Among the Cavaliers, it is more difficult, since there have been so many. Constantijn & Donavan v.h. Lamslag were my first really famous ones, but I should also mention my first top winning Cavalier in the USA, Corneel v.h. Lamslag, owned by Janet York.*

**Apart from breed showing, have you worked your dogs in any other canine sports and, if so, what (e.g. field trials, working trials, obedience etc.)?**

*No, all energy went into breeding/grooming/showing and later into conformation judging.*

**In what year did you qualify as a judge?**

*The first breed I qualified to judge was Cavaliers. The authorisation was issued by the Dutch Kennel Club in 1974.*

*Dachshunds followed a couple of years later.*

**What breeds do you judge?**

*All breeds in group 4 & 9.*

*I have almost completed group 6.*

*A few of the spaniel breeds in group 8.*

**What countries have you judged in?**

*Almost all the European countries and the USA.*

**Apart from canine sports, what other interests do you have?**

*My age is becoming a handicap, but I still play squash several times a week.*

*Making long-distance motorcycle trips. I have been to Sicily on motorcycle and, last year, to a dog show in Sweden.*

*One day, I would love to go to the North Cape on motorcycle.*

*I love to spend a lot of time in the countryside, go for hikes in the mountains, mountain bike and swim.*

*Music, culture, theatre, museums etc.*

*Also reading and playing chess.*

**What is your everyday job?**

*Retired, only my hobbies keep me busy.*

**Other?**

*Sometimes it seems that the dog world is becoming more and more competitive, but we must not forget that we all started out as a result of our passion for dogs. We should try to relax and love our dogs for no reason other than that they are our dogs.*

*The dog world should not be about power or winning.*

*Last but not least: married to my wife Gerda since 1974.*

Dear Fellow Club members

When re-reading my mum's writings after she had sadly passed away I found this poem about her cavalier Jassper and thought that I would like to share it with you  
When well enough mum enjoyed coming to shows although Jassper is no longer in the ring

Hope you enjoy it

On Wednesdays mum, myself and a group of six ladies would meet for "sewing and knitting" for various charities we would put a cold coin the charity jar.

With mum's passing this will no longer happen.

After discussion with the ladies please find enclosed a cheque for \$100 to go to rescue as we knew how much mum loved Jassper and the cavalier breed

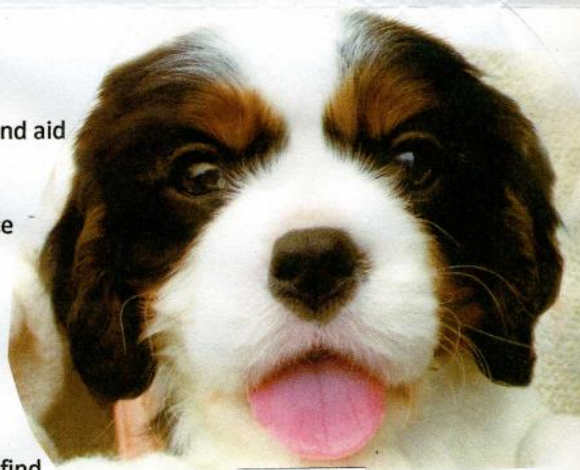

I have enclosed a copy of the poem and a picture of a very young Jassper who at the age of nearly 10 is in his forever home with myself and my husband and our "girls"

Regards

Annette Phaff

- IF You ever need a Pal  
A doggie you must see  
Who sits besides you  
In your hour of need
- IF You ever shed a tear  
He's there to lick your face  
To drive away any fears  
You may not like to face
- IF You fall upon the floor  
A nasty mat you found  
He stands and wags his tail  
To give you some comfort and aid
- IF you ever need a friendly face  
Look at your doggie eyes  
They will always tell you  
I'll love you it's my fate
- IF you don't own a doggie  
That's something you must find  
A loyal friend and mate  
Who always looking in his plate
- IF only he could talk  
I'm sure I'd hear some tales  
As he follows me around  
Every minute of the day
