## In Memoriam

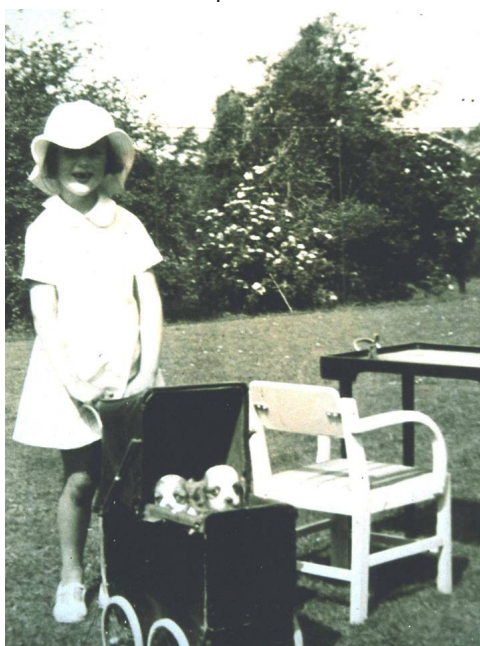

From Dennis Holmes.....

I was so sorry to hear of the passing of Jane Bowdler at the age of 89.

For the benefit of newcomers to the breed Jane was the daughter of Amice Pitt who was one of the founders of the breed and also the first secretary of the Cavalier Club (UK) when it was formed in 1928.

Jane was born one year later and grew up surrounded by dogs and pictured here is a photograph of her as a young girl with a couple of Cavaliers in a pram.

On 29th August 1946 the very first Cavalier championship show was held and as an

eighteen year old girl she gained a challenge certificate with her dog Ch Daywell Roger who was still a puppy and eventually would become the very first Cavalier champion. She is pictured below standing on the right with Ch Daywell Roger and on the left is Katie Eldred with the bitch CC winner Belinda of Saxham.

We had great affection for Jane and nine years ago when Tina and I were doing

research for our book on the origin and founding of the Cavalier breed she was a great help to us. In fact Jane wrote the forward for our book. She even gave us her mother's book of handwritten pedigrees and several old photos which we included in our book. These photos and the pedigrees are now in the Cavalier Club's archives.

Then in 2014 when we organized the Toy Spaniel Art Exhibition at the Kennel Club's Art Gallery we asked Jane if we could include two of her old paintings. We travelled down by train and she picked us up at the station, cooked us a lovely meal and we spent several hours sipping wine and talking Cavaliers.

Such a lovely lady who will be so sadly missed.

### Rescue:

Members. Continuing on from last month the two Ruby girls from Newcastle have gone to new homes, one to Cremorne Point and the other one to Matraville. The lady from Matraville had a rescue named Dexter from me many years ago and he passed away from Lymphoma at Sydney University Vets who had treated Dexter for a long time. This lady has taken her new Ruby to the Uni vets for them to have a pat and the Vets at the Uni think that the Cavalier Club is doing a wonderful job with its rescue and re-homing of Cavaliers. We are still getting lots of enquiries and thankfully no dogs. That is all from me this month. Regards Rhonda

Rescue:

Members, Still getting a lot of enquiries from people looking for Cavaliers, but fortunately we have not had any to re-home. I was contacted by the RSPCA at Yagoona last Friday and today the 27th of August I picked up an 8 month old female Blenheim who has come from a raid on a puppy farm. This little girl is very frightened and timid and it will take about two months of care and socialising before she will be ready for re-homing. I spent an hour this morning talking to the girls at the RSPCA and some of the things I

### 10. General Business

Members, I would like to move that the Cavalier Club and members who are able to donate dog food to the drought relief to help farmers feed their working dogs. Today I have been informed that a total of 49 working dogs have been surrendered as the owners could no longer keep them. I would like to see the Cavalier Club take the lead in donating food for dogs on farms. Kevin and I have purchased at our cost two large bags of pet food on behalf of the Club and it has already gone with a load of hay to the western area of NSW. Regards Rhonda.

A contribution set up will be organised at the Sept Show for donations to help farmers (Drought Relief).
